ABOUT ME

Strong foundation in programming, problem-solving, and software development. Proficient in Python and web technologies, with hands-on experience building full-stack applications using Django. Passionate about developing innovative solutions and eager to contribute to impactful projects within a collaborative, fast-paced team. Quick learner with a solid understanding of data structures, algorithms, and system design principles, and always ready to take on new challenges and grow professionally.

EDUCATION

2021 - 2025

GCUF

BS Computer Science

Focused on programming, software development, data structures, and databases.
